## **WHO WE ARE**

EROPA is an international organization of states, groups and individuals in the region of Asia and the Pacific. EROPA was founded in 1960 as a response to the common desire among developing and developed countries to promote regional cooperation in improving knowledge, systems and practices of government administration to help accelerate economic and social development.

EROPA was the first organization in the region to be devoted to the development of public administration in order to advance the economic and social development of countries in Asia and the Pacific.

## **OUR VISION**

To build a solid regional community promoting regional cooperation in improving government administration for sustainable economic and social development in the Asia-Pacific Region.

EROPA is one of the Online Regional Centers (ORC), regional contributors, of the United Nations Public Administration Network (UNPAN). It also has a special consultative status with the United Nations Economic and Social Council (ECOSOC).

## **WHAT WE DO**

### **Regional Conferences**

EROPA holds annual regional conferences and seminars along with its Executive Council Meetings and General Assemblies as a venue for scholars and practitioners to meet and share knowledge, systems, and practices in public administration. Each year, a current and relevant theme is chosen as a topic for the conference.

### **Asian Review of Public Administration (ARPA) Journal**

*The Asian Review of Public Administration (ARPA)* is the flagship publication of EROPA. Journal articles in ARPA discuss important developments, and emerging issues and concerns in public administration / public management with wide international relevance.

### **EROPA Bulletin**

The newsletter that is published every quarter to provide snippets of the latest activities, events, and training programs of EROPA and its partner institutions. Announcements on the upcoming activities of EROPA and its members are likewise presented in the bulletin.

### **EROPA Experts and Practitioners (EROPA ExP)**

EROPA ExP is an online database of Public Administration Experts and Practitioners from among its present and future members. It is designed to match various expertise to the demand for specific knowledge and skills needed in local, national and international development efforts.

## **OUR EROPA CENTERS**
